Meghan Elgert is a Speech Language Pathologist and certified Reading Therapist at *Learning and Therapy Corner*. She received her Bachelor of Science degree in Speech-Language Pathology from Towson University in 2005 and recently received her Masters of Science in Speech-Language pathology from Loyola College.

Meghan has experience working with individuals with language and learning disabilities of all ages both in school and in one-on-one sessions. She is a certified [Phono-Graphix®](#) reading therapist and has experience providing reading therapy to children from 5-18 years of age. As an avid reader and book lover herself, Meghan has always held a passion for working with children and adolescents with reading difficulties. Meghan is a certified member of the American Speech Hearing Association (ASHA) and licensed in the state of Maryland.
