

Scholarship Opportunity

A scholarship of 8 lessons is available to one lucky student taking lessons at Augmenting Ability's Lutherville location at the Learning and Therapy Corner. This scholarship is open to current and prospective students. To apply please send in a letter stating how your child has benefited from lessons (or would benefit) in ways beyond just learning an instrument. For example how have they or how could they advance cognitively? socially? etc. Please submit your application including parent name, child's name/age, address, phone number, and instrument of choice by December 15th. Thank you
